Dr. Mirza Habib Ali

Life seems to be getting back to normal after COVID 19 pandemic as the Board of Intermediate and Secondary Education (BISE) Lahore successfully conducted SSC Examinations 2022 during the second quarter of 2022. It was a huge exercise with considerable responsibility of ensuring transparent, fair and unbiased assessment and I am glad that the BISE team responded to this challenge in a professional manner. We were able to launch an automated system for the allocation of examination centers for students and duties of teachers and staff. It surely was a hassle free activity and overall, the entire examination cycle remained smooth and as per expectations of all stakeholders. I appreciate the entire examination team for showing excellence.

The reform agenda, as it was envisaged by the Government of Punjab early this year, also found its place in the Federal Government. National Curriculum Council Secretariat of the Ministry of Federal Education & Professional Training, Government of Pakistan conducted a needs assessment exercise for education reforms for Grades 9-12 with special focus on 1) standards, 2) textbooks, 3) teaching and 4) assessment. BISE Lahore shared its valuable input on the mentioned components with emphasis on producing responsible citizens with improved civic sense and set of skills required for the society at large, as a product of curricular reform. BISE Lahore shall continue adding value for the promotion of education and assessment reforms at all policy forum of the country as its institutional and national responsibility.
